

JAMES ANTHONY

**Government-process
design, dynamics, and control**

A good party declaration, party constitution, and party laws will let the party's grassroots select constitutionalists.

A good party's representatives will:

- Use their offsetting powers to limit others in government.
- Prevent crises, helping stop the party from breaking bad.
- Make every law keep powers separated and bounded.
- Let people work together freely to add far-more value.
